

cipher_exception.h

```
graph TD; A[cipher_exception.h] --> B[stdexcept]; A --> C[string];
```

A diagram showing the relationship between the header file `cipher_exception.h` and the standard library headers `stdexcept` and `string`. The top box, labeled `cipher_exception.h`, is shaded gray and has a black border. Two blue arrows point downwards from its bottom edge to two white boxes below it. The left box is labeled `stdexcept` and the right box is labeled `string`. Both bottom boxes have a thin gray border.

stdexcept

string
